I apologize for multiple mailings

Class Information:

CLASSES ARE JANUARY 29th – APRIL 2, THURSDAYS 6-8PM.

A ten week commitment is required for full understanding and impact. Missing two sessions minimizes impact unless you have attended before.

**Registration Fee \$20.00 -- Mail checks to address below
College Credit/Continuing Education Available to Teachers. Call for info**

NOTE: In addition to the 10 weeks of sessions noted above, we will also show Video selections on race. We plan to make that happen at least once a month according to interest of all who have participated in present and past sessions. Some might call this a second level of study. Each video runs for about 90 minutes followed with 90 minutes of processing. Video selections come from the suggestions of participants with input from facilitators.

NOTE: should our attendance deem necessary, we will make a second or third evening of the week available for meetings during this series. That decision and the organization of splitting the attendance is typically addressed the evening of the first Thursday meeting.
